

**This is the way we go to school....**

**Lafayette Elementary School Pre-K Transition Week, Fall 2017!**

Lafayette Elementary School is very excited to welcome the Fall 2017 Pre-K Class! Pre-K is a milestone year and we know how important it is to get it off to a great start. We will continue in the fall with DCPS' Early Childhood Transition Week. This week will allow students, parents, and teachers to become acquainted gradually, in more intimate settings. This schedule, we have found, helps the children feel comfortable at their new school from the very first day. The program consists of an initial Meet-and-Greet Day in small groups and then two days where only half the class comes at once.

Please use this schedule as your guide to the beginning of a happy and successful first year at Lafayette:
