Lafayette Back To School Checklist

Visit LafayetteHSA.org To Do The Following:

Remember to Pay Your Class Activity Fee

The class activity fee pays for field trips (buses, etc), field day t-shirts and end-of-year parties. Instead of asking parents to pay multiple times, we combine the costs upfront.

Sign Up for the Tuesday Bulletin

Get weekly Lafayette news, events and info from Dr. B and the HSA. This is the primary method for receiving important school info for parents and students.

Register for the A to Z Directory

All families, whether you have had an account in prior years or not, need to register this year to stay in touch. This allows your student to be invited to playdates, birthday parties and get in touch with friends!

Donate to the Bear Fund

The Bear Fund is the HSA's annual giving campaign. It supports our unique PEACE program, musical instruments, classroom libraries, supplies, professional development, community events, and more.. This year the HSA has budgeted \$410 per student. A Bear Fund donation in any amount is appreciated!
